

# ROOM 202

Mrs. Severe and Ms. Delange

## Reading!

The only way to become a better reader is to read often. Please continue to read the take home library books with your student and then return the book to school for a new leveled reader. If you feel that your student is struggling with the book that has been sent home, please let me know and I would be happy to reassess the level of the book.

Thank you for encouraging your children to read at home. Many students have exchanged their take home library book many times already. It is wonderful to see them excited about reading!

## 100<sup>th</sup> Day of School

Students had lots of fun celebrating the 100<sup>th</sup> day of school. Students made necklaces, practiced odd and even, and did graphing activities. We also enjoyed an excellent treat! Thank you for all of the contributions!

I have posted some pictures on the Wiki from our celebration.

## Remember to check out the "Class Happenings" on the Wiki!

February is quickly approaching! We will celebrate the President's Day holiday by taking off February 12-15 from school. I will send home information about our Valentine's celebration soon.

If you have any questions or concerns, please do not hesitate to contact me. The best way to contact me is by email. Please see my email address and the Wiki address at the bottom of this newsletter.
